Project Name: Parks at Delray I & II

Plan Modification
Drainage Statement

Permit No. PZ-000457-2026

Kimley-Horn and Associates, Inc., as Engineer of Record, has reviewed the proposed modification consisting of the addition of gate arms at the project site. Based on our review, it has been determined that the installation of the gate arms will not adversely affect the existing stormwater management system, drainage patterns, or runoff characteristics of the site.
